

Convention of the Fremont and Dayton Americans.

Met agreeably to appointment at Convention, at 2 o'clock P. M. The convention was called to order by Thos. Jameson Esq., F. W. Kimball, was elected Chairman and M. L. Scott, Secretary.

Several gentlemen who were upon the committee of the 13th inst. were called upon to give a report of the doings of that committee, which report showed that they were not agreed, that the ticket as reported to the convention was a minority report, that the majority of the committee reported in favor of Geo. Worthington, Jr. for Senator. Reports were read from all parts of the county, showing that the people were very indignant at the proceedings of that convention, and that they would not go for the ticket then nominated. Very excellent and spirited addresses were delivered by Rev. Mr. Lewis, and other distinguished gentlemen in the county. On motion the following Preamble and resolutions were adopted by the convention.

To the people of Orleans County—*whereas*, for the purpose of uniting the opponents of the present pro-slavery administration in political action, the people of Orleans County, without regard to past political differences, met at Irasburgh on the 13th inst., and *whereas*, the basis to political action was to be hostility to slavery extension, a return to the great principles of Washington and Jefferson, and the hearty support of Fremont and Dayton the gallant standard bearers of freedom,—and *whereas*, the Americans of the county went to that convention with honest hearts, intending in good faith to unite upon those principles, ready and anxious to sacrifice upon the holy altar of freedom, their prejudices and preferences, and in fact, everything but honor and principle,—and *whereas*, in opposition to solemn promises and pledged faith, they were met by old party wire-workers & professional politicians who declared an open and deadly hostility not only to American principles, but to Americans, and who by unwearied and unceasing exertion and effort, succeeded in disgusting and distracting the committee and convention, and in forcing a ticket upon them that the people silently, sorrowfully, and indignantly refused to endorse, nor on account of the unfitness of the nominees, but of the means by which they were nominated, and the spirit in that was manifested in the nomination, and *whereas*, the Hon. Geo. Worthington, Jr., and the Hon. Durkee Cole, were discarded by silver-grey whigs, Pierce democrats, and men pledged to another nomination, in opposition to the almost unanimous expression of the committee, and this not on account of any lack of confidence in their honesty or capacity, but on account of their former party relations,—and *whereas*, the nominations made were not supported by a majority of the committee, nor endorsed by a tenth part of the convention or the people of the county, and *whereas*, it is necessary that the friends of freedom should have a ticket upon which they can unite and elect,—therefore,

Resolved, That in the coming election we will support and elect to the respective offices the following good and true men:

For Senator,  
HON. GEO. WORTHINGTON, Jr.,  
Of Irasburgh.

For Assistant Judges,  
HON. DURKEE COLE, of Charleston.  
JOHN WALBRIDGE, of Albany.

For State Attorney,  
J. P. SARTLE, of Barton.

For Judge of Probate,  
MARSHAL CARPENTER, of Derby.

For High Sheriff,  
SILAS G. BEAN, of Coventry.

For High Bailiff,  
ALONZO BEMIS, of Westmore.

Resolved, That the resolutions adopted by the convention of the 13th inst. be adopted by this convention.

Resolved, That our ticket be entitled Fremont and Dayton American Ticket.

Resolved, That the Secretary prepare copies of the proceedings of this convention, and request the Editors of each of the county papers to publish the same.

Resolved, That a county committee be appointed consisting of six, to fill any vacancies that may occur in the ticket, and also to appoint town committee as they may see fit.

M. Mansfield, N. W. Bingham, T. C. Miles, Dr. H. H. Carpenter, J. E. Dickerman, and James Kendle, were unanimously elected to serve as this committee.

Moved to adjourn.

The county was well represented; the convention acted with perfect harmony. A great deal of enthusiasm, and the most sanguine confidence in their ability to elect the ticket prevailed.

SPAIN.

Saragossa has capitulated. The queen's troops took possession of the city without resistance. The National Guards and Militia were disbanded, and the Municipal council changed.

A new Ayuntamiento and Provincial deputation has been named in Catalonia, and the various bands of insurgents sought refuge in the mountains were dispersing rapidly.

The following is the telegraphic dispatch by which the facts were made known:

"SAN SEBASTIAN, Aug. 2-5 P. M. Yesterday, at noon, the troops of the Queen entered Saragossa without the slightest resistance. The greatest tranquility reigns in the city. The National Guard has been disbanded, and the Ayuntamiento and deputation have been changed."

The Spanish Embassies published the same news at almost the same time.

HORRIBLE MASSACRE AT BARCELONA.

All the details that reach us of the proceedings concur in representing the fighting as desperate, and the conduct of the Queen's troops after all resistance had ceased as ferocious in the extreme. On the 24th, for instance, three days after the fighting had ceased in the city, two battalions of National Guards, arriving to the assistance of the citizens, were met in the plain by the Queen's cavalry, and every man of them cut to pieces.

Seventeen individuals engaged in the insurrection at Barcelona have been shot. They are executed three by three.

ITALY.

A letter says that the Austrian government is alarmed at the attitude Sardinia assumes towards it in Italy, and has begged the French government to represent to the latter that in order to preserve the tranquility of Europe, a change of its policy would be desirable.

The French government has accordingly made a communication of a confidential character to Sardinia, hinting that she might assume a less hostile attitude and tone towards Austria, without lessening the influence she exercises in Italy. The view which Sardinia will take of this position, remains to be seen.

"I DIGEST!" SUCH IS THE TRUE MEANING of the word "PEPSIN," or of the two Greek words from which it is derived. This is the significant and appropriate title of the TRUE DIGESTIVE FLUID, or GASTRIC JUICE, prepared by Dr. J. S. Houghton, of Philadelphia, from the fourth Stomach of the Ox, for the cure of Indigestion and Dyspepsia. It is Nature's own remedy for an unhealthy Stomach. No art of man can equal its curative powers. It renders GOOD EATING perfectly consistent with HEALTH.
